LOGNOTE - Chief, Operations Group, 1 November 1985

1. (Schreiner) [] called this morning on two issues. He'll be sending in his itinerary next Monday, but wanted to let us know that he plans to depart Tel Aviv 8 November. He'll be taking some leave en route home and then a little more here to get settled. At the moment, he's planning to report to ESG right after the Thanksgiving weekend.

The other topic was the planned arrival of []. Lou prefers that Hank arrive PCS within the month for two good reasons. First, the cruising position is not completely set up in the new premises, and Lou would like Hank to work with [] in setting up the position before [] departs. The other reason is housing. Hank should occupy the apartment reserved for him before 1 December or run the risk of losing it to another Embassy officer. C/MOD thinks Hank will be able to arrive before the end of the month and will so advise Lou. Hank has done some preliminary processing, and Admin should assist him in expediting the remainder through Central Processing. Lou added that things were going swimmingly with the new office.
